S. Frankel,2021 For Edward T Scupper life has been one long lonely road Born in the mid eighteen hundreds for reasons unknown he stops aging at eighteen At first it s exciting to live through the various decades while others succumb to time but after a number of years he finds that immortality is boring Science proves to be the answer or so he thinks Edward Ed journeys from one city to another in the US in order to find an answer to his predicament He doesn t wish for death He only wishes to have a normal lifespan like everyone else After numerous searches he winds up in Portland Oregon where he meets Doctor Farhan a molecular biologist and geneticist who is working on using gene therapy to improve or cure various ailments including blindness in his daughter Diana Ed tells Farhan of his desire to achieve mortality Farhan promises to help him in return for the scientific knowledge and a bargain of sorts is achieved Initially Ed and Diana don t get along However

over time they find themselves drawn to each other as each of them seeks a cure for their problem and only Doctor Farhan can provide it Before long though the young couple finds themselves under attack Doctor Farhan is killed and the two teens are pursued by hitmen sent by Fester Norton an elderly tycoon who wants what Ed has got the secret of immortality and will stop at nothing to get it

God's Revenge Evelyn Mundell,2010-12-09 An ancient Koine Greek manuscript is discovered that sheds fresh light on a host of long held beliefs History professor Etienne Naude discovers that the past present and future are inextricably linked and intertwined Things are not always as they appear to be a first glance This rollercoaster ride accelerates at an alarming pace Our unlikely team of unlikely heroes uncovers ancient mysteries that are directing present realities As they peel back the layers that hide the malevolent beast that has systematically burrowed into the fabric of all society from ancient times they uncover convoluted wheels within wheels At last the hidden enemy is revealed in its true reality They discover that God s revenge is indeed an awesome thing We read the eye witness testimony of a survivor one who has witnessed this reality from the inside He describes a sickening holocaust of epic proportions that history has conveniently swallowed up and glossed over Man does not learn from the lessons of the past and is viciously inhumane towards his fellow man Our team members also see that God s love and grace to those who obey Him are infinite The helter skelter ride builds up inexorable velocity until it comes to a crashing climax which has included the international security forces as well as the CIA and the KGB Life can never be the same again

The Eternity Gene Russell Fine,2021-08-21 Dr Pamela Reed was convinced human aging was caused by a single gene and she was determined to find it After years of research using lab mice she was sure she had proof her theory was correct A meeting was set up with the owner of Dearborn Pharmaceuticals to discuss the next step but the meeting never occurred Dr Reed s research would profoundly affect future generations and someone didn t want that to happen She and her assistant were murdered to prevent her discovery from being made public The President personally requested that Frank Carver a policeman turned CIA agent be assigned the task of tracking down her killer But this turned out to be far more than just a simple homicide
