

Why women in America  
are working harder than  
ever, growing poorer,  
and watching their  
families break up—

---

**THE  
EQUALITY  
TRAP**

---

and why the feminist  
drive for equality has ac-  
tually made things worse

**Mary Ann Mason**

# Equality Trap

**G Orfield**

## **Equality Trap:**

The Equality Trap Mary Ann Mason, 2018-04-17 Despite the feminist revolution of the past twenty years most women in America are worse off today than at any time in the recent past Magazines and television programs profile women bank executives surgeons and corporate lawyers but the vast majority of women still work in relatively low paying jobs Women work more hours per week in the house and outside than ever before and a paying job has become a necessity for women in most households What went wrong In this provocative book Mary Ann Mason argues that the women s movement shares some of the blame for this situation In an original analysis that draws on both social and legal history she explains how the move away from women s rights toward equal rights has worsened the situation of American working women especially working mothers Because women are still the primary care providers for their children they must take flexible and relatively low paying jobs to be available in case of a child care problem With nearly 50 percent of all marriages now ending in divorce and with a growing trend inspired by the equal rights movement toward no fault divorce and low or no alimony settlements divorced mothers frequently find themselves economically devastated Mary Ann Mason argues that the solution to this predicament is to draw up a new women s rights agenda that will benefit all working women especially those with children The equal rights strategy was important in opening the door for the highly publicized super achievers but it is now time she says to improve the lives of the majority of America s working women This book will be of interest to readers interested in gender studies and particularly issues of equality and feminism Mary Ann Mason is a professor of law and social welfare at the University of California Berkeley In addition to her law degree Mason holds a Ph D in American social history

**The Equality Trap** , Despite the feminist revolution of the past twenty years most women in America are worse off today than at any time in the recent past Magazines and television programs profile women bank executives surgeons and corporate lawyers but the vast majority of women still work in relatively low paying jobs Women work more hours per week in the house and outside than ever before and a paying job has become a necessity for women in most households What went wrong In this provocative book Mary Ann Mason argues that the women s movement shares some of the blame for this situation In an original analysis that draws on both social and legal history she explains how the move away from women s rights toward equal rights has worsened the situation of American working women especially working mothers Because women are still the primary care providers for their children they must take flexible and relatively low paying jobs to be available in case of a child care problem With nearly 50 percent of all marriages now ending in divorce and with a growing trend inspired by the equal rights movement toward no fault divorce and low or no alimony settlements divorced mothers frequently find themselves economically devastated Mary Ann Mason argues that the solution to this predicament is to draw up a new women s rights agenda that will benefit all working women especially those with children The equal rights strategy was important in opening the door for the highly publicized super achievers but it is now time she says to improve the lives of the

majority of America's working women This book will be of interest to readers interested in gender studies and particularly issues of equality and feminism Mary Ann Mason is a professor of law and social welfare at the University of California Berkeley In addition to her law degree Mason holds a Ph D in American social history

**Why Politics Fails** Ben Ansell,2023-05-23 A leading political expert explains why systems fail to deliver things we all want democracy equality solidarity security and prosperity and what can be done to create a just equitable and environmentally sane society The dawn of the twenty first century had the promise of a golden age The economy was stable and growing social peace seemed possible and technology appeared benign The past years have awakened us from this complacency We have long known what needs to be done to save the world from climate disaster Why do we continue on the path of self destruction The immense wealth of the United States should make poverty a historical curiosity Why is income inequality growing and the scourge of poverty increasing The vast majority of people around the world want to live in a society with democratic values Why is democracy receding Why is it so hard to get and keep the world we want Ben Ansell one of the world's leading experts on the dilemmas facing modern democracies vividly illustrates how our collective goals democracy equality solidarity security and prosperity are undermined by political traps and why today's political landscape is so tumultuous We want equality but we are loathe to give away our own wealth We want solidarity but we are much better at receiving it than offering it We want security but not if it constrains our freedom And we want to end the climate crisis but we also want a prosperous economy In every case we want a collective goal but are undermined by our individual actions Our aims are altruistic our actions governed by self interest Ansell then comes full circle and through brilliant storytelling and pathbreaking research vividly illustrates how we maneuver through the traps of the messy complicated world of politics that block common sense solutions to the just equitable prosperous and environmentally sane society we all want

**Reports of Cases in Law and Equity, Argued and Determined in the Supreme Court of the State of Georgia** Georgia. Supreme Court,1887

**The Politics of American Feminism** James T. Bennett,2007-09-16 This work assesses with scholarly scrupulousness and irreverent wit the ways in which the American male is being blamed castigated slandered emasculated and just plain harassed for a multitude of crimes and sins because of a single trait maleness From cradle to grave public policy and the teachings of the groves of the academe are increasingly shaped by an anti male bias Chapters examine the ways in which American men and maleness are punished in childhood in school in history texts in language in the wallet in religion and even in recreation Although the book's tone is often light the subject is a serious one that the mainstream media often avoids The Politics of American Feminism debunks dated myths defends individual liberty against feminist assaults offers an impious take on the narrow focus of the women's movement and has as a central premise that not only are men essential to the health of the nation and the survival of the species but they also have a few salutary qualities as well

**Rehnquist Justice** Earl M. Maltz,2003 With seven of its justices appointed by Republican presidents today's Supreme Court has significantly altered

America's legal landscape since 1986 by tilting constitutional jurisprudence to the right. That was the goal of Presidents Reagan and Bush in filling court vacancies and has been felt in cases related to federalism, economic rights, and affirmative action. However, liberal issues such as abortion have moved only marginally to the right, while rulings by the Court on school prayer and gay rights have moved constitutional doctrine slightly to the left. In this collection of original articles, prominent constitutional scholars are joined by new voices from the cutting edge of academia to subject the Rehnquist Court to closer scrutiny and to show that its brand of conservatism is less extreme than many have supposed. Reflecting views across the political spectrum, the contributors help readers understand the Court dynamic, its constrained conservatism, and the forces that shape constitutional law in general. As these authors show, the overall pattern of decision making in the Rehnquist era cannot be attributed to any single unified approach to constitutional analysis. Instead, today's Court can only be understood as the product of a complex interaction among individual justices, each with an idiosyncratic view of the proper interpretation of the Constitution and the role of the Court in the American political system. These provocative essays are designed to provide readers with insight into this interaction by focusing on each member of the bench. From the staunch conservatism of Clarence Thomas to the accommodationism of Sandra Day O'Connor to the liberal constitutionalism of David Souter, the essays analyze the unique approach of each justice to interpreting the Constitution. They also show that the current justices are the product of a nomination and confirmation process that has undergone a major transformation in recent decades, one which favors experienced, often unknown jurists over high-profile public servants. By concentrating attention on its members, Rehnquist Justice allows us to better understand the Supreme Court as a whole. And by assessing today's judiciary in light of a public philosophy that looks askance at government, it shows us that the Supreme Court has truly become a mirror of its times.

### **Equality Trap Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Equality Trap has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Equality Trap has opened up a world of possibilities. Downloading Equality Trap provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Equality Trap has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Equality Trap. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Equality Trap. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Equality Trap, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Equality Trap has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

---

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Equality Trap Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Equality Trap is one of the best book in our library for free trial. We provide copy of Equality Trap in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Equality Trap. Where to download Equality Trap online for free? Are you looking for Equality Trap PDF? This is definitely going to save you time and cash in something you should think about.
