**Liberal Publication Department (Great
Britain)**

For Conservatives Only:

For Conservatives Only Richard Kidston Law Baron Coleraine, 1970 **Conservative thinkers** Mark Garnett, Kevin Hickson, 2013-07-19 This book outlines and evaluates the political thought of the Conservative Party through a detailed examination of its principal thinkers from Harold Macmillan to the present. Traditionally the Conservative Party has been regarded as a vote gathering machine rather than a vehicle for ideas. This book redresses the balance through a series of biographical essays examining the thought of those who have contributed most to the development of ideas within the party. The chapters benefit from archival research and interviews with leading Conservatives. The recent revival of Conservative fortunes makes the book particularly timely. The book begins with an introductory chapter explaining the role of ideology in the Conservative Party. It then traces the political thought of the Conservative Party through its principal theorists since the 1930s. These are Harold Macmillan, R. A. Butler, Quintin Hogg, Enoch Powell, Angus Maude, Keith Joseph, the traditionalists Maurice Cowling, T. E. Peter, Utley, Peregrine Worsthorne, Shirley Letwin, and Roger Scruton, Ian Gilmour, John Redwood, and David Willetts. The book concludes with an overall assessment of the political thought of the Conservative Party and the relevance of past debates for contemporary Conservatism. The book will be of considerable interest to academics and non-academics alike for those who have a special interest in the Conservative Party but also for any student of contemporary British Politics.

The Boulanger Affair Reconsidered William D. Irvine, 1989. Recent scholarship on General Boulanger's bid for power in France's Third Republic has focused on the combination of socialism and national chauvinism in the movement supporting his campaign, seeing in this alliance the left-wing origins of 20th-century fascism. In this groundbreaking study based on archival materials only recently made available to scholars, Irvine challenges that analysis, arguing that royalist and conservative supporters provided the crucial financial and electoral backing to the Boulanger movement. **The Foundations of the British Conservative Party** Bradley W. Hart, Richard Carr, 2013-08-01. A concise survey of the ideology, structure, and evolution of the British Conservative Party from the 19th century to the Cameron administration. *The Conservative Mind, from Burke to Santayana* Russell Kirk, 1964. *The Spectator*, 1885. *The Only Way* A. H. Henderson Livesey, 1927.

After The Open Society Karl Popper, 2014-05-01. In this long-awaited volume, Jeremy Shearmur and Piers Norris Turner bring to light Popper's most important unpublished and uncollected writings from the time of *The Open Society* until his death in 1994. *After The Open Society: Selected Social and Political Writings* reveals the development of Popper's political and philosophical thought during and after the Second World War, from his early socialism through to the radical humanitarianism of *The Open Society*. The papers in this collection, many of which are available here for the first time, demonstrate the clarity and pertinence of Popper's thinking on such topics as religion, history, Plato, and Aristotle, while revealing a lifetime of unwavering political commitment. *After The Open Society* illuminates the thought of one of the twentieth century's greatest philosophers and is essential reading for anyone interested in the recent course of philosophy.

politics history and society **Pamphlets and Leaflets of the Liberal Publication Dept** Liberal Publication Department (Great Britain),1902 **The Quarterly Review** William Gifford,Sir John Taylor Coleridge,John Gibson Lockhart,Whitwell Elwin,William Macpherson,William Smith,Sir John Murray (IV),John Murray,Rowland Edmund Prothero (Baron Ernle),George Walter Prothero,1886 **The Fortnightly Review** ,1880 **The Annals of Our Time** Joseph Irving,1871 *The Annals of Our Time a Diurnal of Events, Social and Political, Home and Foreign, from the Accession of Queen Victoria, June 20, 1837 by Joseph Irving* Joseph Irving,1872 *The Annals of Our Time: a Diurnal of Events, Social and Political, which Have Happened In, Or Had Relation to the Kingdom of Great Britain, from the Accession of Queen Victoria to the Opening of the Present Parliament* Joseph Irving,1871 **The American Jewish Chronicle** ,1918 **The Life of the Right Honourable Joseph Chamberlain.
