From Prophecy To Preaching:

From Prophecy to Preaching A. Stewart-Sykes, 2015-12-22 This book seeks to determine the origins of preaching in Christianity and to trace its history before Origen On the basis of a examination of the external evidence for Christian preaching before Origen and of cognate activities in the ancient world which might have influenced Christian practice and on the basis of a narrative hypothesis on the nature of the development of Christianity a history is traced by which prophecy gives way to Scripture as the primitive Christian oikos becomes the oikos theou The homily is seen to emerge from the practice of submitting prophecy to judgement and application which comes to employ Scripture and in time is employed on Scripture itself This is the first attempt to answer the questions of how when and why preaching entered Christian worship

Dialogues on prophecy [by H. Drummond and others]. Henry Drummond, 1828 [Prophetic Preaching](#) Francis Chan, 2012 The first book in Hendrickson's new Preachers Toolbox series brings together a who's who group of today's most influential pastors who share their understanding of prophetic preaching as well as their skills The book is divided into two sections The Calling of Prophetic Preaching and The Craft of Prophetic Preaching which deliver clear themes and practical takeaways on the art of preaching prophetically Speaking with grace and authority preachers such as Francis Chan Mark Buchanan John Ortberg Mark Driscoll Timothy Keller and Anne Graham Lotz offer Biblical and personal messages on prophetic preaching [Dialogues on Prophecy](#), 1828 *Preaching as the Word of God* Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory **The Sure Word of Prophecy** John Newcome, 1724 **Discourses on Prophecy** John Davison, 1825 **The Art of Prophecy** William Perkins, 2021 In *The Art of Prophecy* Puritan William Perkins 1558-1602 teaches how to preach the Word with studied plainness not relying on technique or soaring flourishes of oratory but rather by unleashing the majestic power of the unencumbered Word of God Unlike so much of the milquetoast preaching heard today Perkins teaches how to utilize the Scripture in all its capacities for teaching correct doctrine for reproof and correction and for training the godly in righteousness 2 Timothy 3:16 This type of preaching changed lives during Perkins' lifetime and it has the same effect today Includes a biographical preface by Benjamin Brook Scripture references from the ESV are embedded in the text as hyperlinks no internet connection required **Prophecies Fulfilled and Fulfilling** Henry Clay Morrison, 2014-02 The

The Past a Prophecy of the Future, and Other Sermons Samuel Henry Kellogg, 1904 **Preaching by Prophecy**, 1952* *An Outline of Christian Theology* William Newton Clarke, 1894 **Inspiration and Authority in the Middle Ages** Brian FitzGerald, 2017-10-06

Inspiration and Authority in the Middle Ages rethinks the role of prophecy in the Middle Ages by examining how professional theologians responded to new assertions of divine inspiration Drawing on fresh archival research and detailed study of unpublished manuscript sources from the twelfth to fourteenth centuries this volume argues that the task of defining prophetic authority became a crucial intellectual and cultural enterprise as university trained theologians confronted prophetic claims from lay mystics radical Franciscans and other unprecedented visionaries In the process these theologians redescribed their own activities as prophetic by locating inspiration not in special predictions or ecstatic visions but in natural forms of understanding and in the daily work of ecclesiastical teaching and ministry Instead of containing the spread of prophetic privilege however scholastic assessments of prophecy from Peter Lombard and Thomas Aquinas to Peter John Olivi and Nicholas Trevet opened space for claims of divine insight to proliferate beyond the control of theologians By the turn of the fourteenth century secular Italian humanists could lay claim to prophetic authority on the basis of their intellectual powers and literary practices From Hugh of St Victor to Albertino Mussato reflections on and debates over prophecy reveal medieval clerics scholars and reformers reshaping the contours of religious authority the boundaries of sanctity and sacred texts and the relationship of tradition to the new voices of the Late Middle Ages

Prophecy and the War Euston John Nurse, 1915 **A Dictionary of Christ and the Gospels** James Hastings, John Alexander Selbie, John Chisholm Lambert, 1908 Israel's watchman (and prophetic expositor) [afterw.] The prophetic news and Israel's watchman, ed. by A. Edersheim. [1st]-7th year Alfred Edersheim, 1880 The Northern witness [afterw.] Witness, ed. by J.R. Caldwell John R. Caldwell, 1882

Light from the Gentiles: Hellenistic Philosophy and Early Christianity Abraham J. Malherbe, 2013-10-10 Rather than viewing the Graeco Roman world as the background against which early Christian texts should be read Abraham J Malherbe saw the ancient Mediterranean world as a rich ecology of diverse intellectual traditions that interacted within specific social contexts These essays spanning over fifty years illustrate Malherbe s appreciation of the complexities of this ecology and what is required to explore philological and conceptual connections between early Christian writers especially Paul and Athenagoras and their literary counterparts who participated in the religious and philosophical discourse of the wider culture Malherbe s essays laid the groundwork for his magisterial commentary on the Thessalonian correspondence and launched the contemporary study of Hellenistic moral philosophy and early Christianity
