PLAY ALONG CD DISC 1

Your book includes the **Play Along CD Disc 1** which covers two different sections of Book 2:

- The first 55 exercises —and—
- The Individual Study section (pages 38–41)

During the first 55 exercises, the melody is demonstrated by a small band ensemble. A professional soloist is featured **playing your instrument** for the Individual Study section.

Each track begins with a one measure count-off, and it is played **twice**—the second time is the accompaniment-only. These track accompaniments are performed by professional studio musicians, and they explore a rich variety of musical styles and cultures, with classical, rock, jazz, country, and world music.

PLAY ALONG CD SET – DISC 2 & 3

This set of play-along tracks is available from your music dealer, and includes exercise 56 through the end of Book 2. It features the melody demonstrated by a small band ensemble, followed by the accompaniment-only. For use by all instruments.
