Revised Edition](#) ENGLISH GRAMMAR., 1930 **First English Grammar** Y. H. Mew, 2004 [The First Lines of English Grammar](#) Goold Brown, 2018-10-07 Excerpt from *The First Lines of English Grammar Being a Brief Abstract of the Author s Larger Work the Institutes of English Grammar* Tan following epitome contains a general outline of the principles of our

language as embodied and illustrated in *The Institutes of English Grammar* The definitions and explanations here given are necessarily few and short The writer has endeavored to make them as clear as possible and as copious as his limits would allow but it is plainly impracticable to crowd into the compass of a work like this all that is important in the grammar of our language Those who desire a More complete elucidation of the subject are invited to examine the author s larger work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The First Lines of English Grammar Gould Brown,2015-06-16 Excerpt from *The First Lines of English Grammar Being a Brief Abstract of the Author s Larger Work the Institutes of English Grammar Designed for Young Learners* Since the completion and publication of my *Grammar of English Grammars* it has frequently been suggested to me that a new and critical revision of the *Institutes* and *First Lines* to present them in a state of stricter conformity to that more elaborate work and to obviate at the same time some remaining defects which had occasionally been noticed might be the means of increasing the usefulness and sustaining the reputation of these pretty widely known school books Such an improvement of the *Institutes* the author carefully prepared for the stereotypers during the last year Having now performed in like manner and with proportionate pains a new revision or a sort of recasting of the *First Lines of English Grammar* he may perhaps without lack of modesty commend this little book to the managers of schools as being in his own estimation at least the best and cheapest epitome of English Grammar yet offered to their choice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

First English Grammar Abridged ,1898 **A First English Grammar** Alexander BAIN (Professor of Logic in the University of Aberdeen.),1872 *First Lessons in English Grammar (Classic Reprint)* Brothers Of The Christian Schools,2018-02-05 Excerpt from *First Lessons in English Grammar* The present text book is prepared as an introduction to the Principles of English Grammar It purports to give only the bare essentials of the subject illustrating defini tions and rules With copious examples suited to the intel ligence of beginners It is to be hoped that teachers will find it an easy means by which the young pupil will acquire a more thorough knowledge of our language About the Publisher Forgotten Books publishes hundreds of

thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

First English Grammar. Abridged from Doctor R. Sullivan's English Grammar Robert Sullivan,1876 *The Child's First English Grammar, Etc* Richard HILEY,1848 *A First English Grammar* Alexander Bain,2020-04-22 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy
