Hello Tree:

Hello, Tree Ana Crespo,2021 It was a swallow who called it first Fire s coming And the animals ran away Even the insects tried to flee The girl and her family left too All I could do was wait When a wildfire comes roaring into the forest all the animals and humans flee But all the tree can do is wait Wait until many days and nights pass Wait until the fire loses the battle And wait until the forest is still before the forest can be reborn and the animals and the girl can come back Inspired by the 2013 Black Forest fire and told from the viewpoint of a tree watching its home destroyed Hello Tree is about the kinship between humans and nature and preservation of the environment

She still feels like a failure after their harrowing crossing of the Potomac combined with typical low self esteem of her age group she decides to master her largest fear going back to Glen Echo and riding again through the Tunnel of Love Harwood accompanies her and afterwards she finally feels like a young adult And happening all at the same time Elray s paternal grandmother long thought dead resurfaces and sues for custody of her granddaughter she claims to have faked her death in a fire at Blackie s House of Beef to free her family from her destructive drinking and gambling ways Elray at this fragile stage in her life delights in the weirdness of the situation and welcomes the elegant grand smoking and dancing old woman while unwittingly betraying her family by disclosing all their secrets to her These family skeletons are then hurtfully exposed at the custody trial along with Elray and Raoul s films that showcase their countless unsupervised hours As her peculiar adolescent life flashes before her Elray embraces the situation and invites not only her grandmother but the pregnant Rena who after having a secret affair with Harwood falls in love with Ajax to live with them As the new fangled family gets adjusted to their new circumstance Rena and Ajax announce that they are in love and proceed to get married In the meantime her films having made a splash at the trial Elray embarks on a film career with the new camera she receives on her sixteenth birthday After a brief infatuation with a pretentious film professor Elray winds her way back to Raoul Just as she finds bliss and comfort in his arms and decides to finally unveil the very real Raoul to her family she is confronted with a very dramatic scene of Rena in labor and Granny having a heart attack simultaneously In a wild ambulance ride Granny finally passes on and Rena gives birth to twins a boy and a girl who seem to embody the spirits of Elray s mom and dad We end with Elray writing a letter to her niece and nephew as Raoul now her husband and Harwood are off in China on an archeological dig Rosie and Valentine are turning 18 and in her letter she explains that her gift to them is their family s story this novel *A Girl Could Stand Up* is exquisitely tender and moving It is an inspiring reinvention of the very notion of family think of the Sopranos or the Osbournes but is loving and exhilarating as well It is a celebration of people who don t follow the rules don t adhere to the status quo and are all the more compelling for it You ll cheer them on want to pull them right out of the book and invite them over for dinner
