Growing Up With Two Languages A Practical Guide:

Growing Up with Two Languages Una Cunningham, 2011-05-25 The lives of many families involve contact with more than one language and culture on a daily basis *Growing Up with Two Languages* is aimed at the many parents and professionals who feel uncertain about the best way to go about helping children gain maximum benefit from the multilingual situation This best selling guide is illustrated by glimpses of life from interviews with fifty families from all around the world The trials and rewards of life with two languages and cultures are discussed in detail and followed by practical advice on how to support the child's linguistic development Features of this third edition include a dedicated website with new and updated Internet resources a new chapter giving the perspective of adults who have themselves grown up with more than one language a new chapter presenting research into bilingual language acquisition with information about further reading new and updated first hand advice and examples throughout Una Cunningham is an Associate Professor in Modern Languages at Stockholm University Sweden She and her husband Staffan Andersson have raised their four children to speak English and Swedish in Sweden

Growing Up with Two Languages Una Cunningham-Andersson, Staffan Andersson, 1999 This bestselling book is for anyone parents teachers and language professionals alike who need advice on how children can get the most from a bilingual situation In *Growing Up with Two Languages* Una Cunningham Andersson and Staffan Andersson provide a highly informative account of the stages of language development describe and evaluate the various systems and strategies that can be adopted and look at the problems that can occur when a child is exposed to two language and cultures Illustrated throughout with the real life experiences of fifty families around the world this book concludes with clear practical advice on how to support and document a child's bilingual development and how to make the most of the Internet Book Description

Growing Up with Two Languages Una Cunningham, 2020-02-19 *Growing Up with Two Languages* provides a highly accessible account of the stages of language development describes and evaluates the various systems and strategies that can be adopted and looks at the problems that can occur when a child is exposed to two languages and cultures Combining research informed advice and the experience of parents raising children as speakers of a wide range of languages in every populated continent in the world this book and its associated web material will answer questions offer tried and tested strategies to keep children speaking a minority language and provide material to enlist the support of the extended family teachers and others The perspective of adults who were themselves raised speaking more than one language is included New to this edition is a chapter focusing on families raising children as speakers of indigenous and threatened languages as well as chapters for teachers and health professionals who want to know more about multilingual child language development and how they can support parents to continue speaking their language with their children With new and updated first hand advice Internet resources and examples throughout this book also includes a chapter that introduces important recent research into multilingual children and further reading guides for those who want to know more This book

is for parents who are raising or plan to raise children as speakers of more than one language and for the teachers and healthcare workers who meet and can support them

Growing Up with Two Languages Una

Cunningham-Andersson,2004

Growing Up with Two Languages Una Cunningham-Andersson,Staffan

Andersson,1999-08-01 This bestselling book is for anyone parents teachers and language professionals alike who need advice on how children can get the most from a bilingual situation In Growing Up with Two LanguagesUna Cunningham Andersson and Staffan Andersson provide a highly informative account of the stages of language development describe and evaluate the various systems and strategies that can be adopted and look at the problems that can occur when a child is exposed to two language and cultures Illustrated throughout with the real life experiences of fifty families around the world this book concludes with clear practical advice on how to support and document a child s bilingual development and how to make the most of the Internet

Growing Up with Languages Claire Thomas,2012-05-24

A unique new insight into multilingual families this book views multilingual childhoods from the point of the child and is based on over 50 interviews with adults who grew up in multilingual settings The book charts their recollections of their childhoods and includes many different types of families discusses many of the common issues that arise in multilingual families and draws examples from all over the world The book fills a significant gap in the literature and resources available to multilingual parents It was researched and written by a self help group of multilingual parents and thus the book remains very practical and gives clear and realistic advice to multilingual parents facing choices or dilemmas However because of its unique viewpoint this book also includes much new material that will be of interest to researchers and students of bilingualism

Introducing Multilingualism

Jean-Jacques Weber,Kristine Horner,2013-03 Introducing Multilingualism is a brand new comprehensive and user friendly introduction to the dynamic field of multilingualism Adopting a compelling social and critical approach Jean Jacques Weber and Kristine Horner guide readers through the established theories about multilingualism The book covers language as a social construct language contact and variation language and identity and the differences between individual and societal multilingualism The authors also provide an alternative approach to studying multilingualism introducing innovative concepts such as flexible multilingualism and literacy bridge in order to encourage students to critically question dominant discourses on topics such as integration heritage and language testing This highly practical textbook incorporates a wide range of engaging activities and encourages students to think critically about important social and educational issues Throughout the theoretical content is explored through a wide range of case studies from around the world Clearly argued and widely applicable this book is essential reading for undergraduate students and postgraduate students new to studying multilingualism

Multilingualism across the Lifespan Unn Røynealand,Robert Blackwood,2021-10-17

This innovative collection examines key questions on language diversity and multilingualism running through contemporary debates in psycholinguistics and sociolinguistics Reinforcing interdisciplinary conversations on these themes each chapter is co

authored by two different researchers often those who have not written together before The combined effect is a volume showcasing unique and dynamic perspectives on such topics as multilingualism across the lifespan bilingual acquisition family language policy language and ageing language shift language and identity and multilingualism and language impairment The book builds on Elizabeth Lanza s pioneering work on multilingualism across the lifespan bringing together cutting edge research exploring multilingualism as an evolving phenomenon at landmarks in individuals families and communities lives Taken together the book offers a rich portrait of the different facets of multilingualism as a lived reality for individuals families and communities This ground breaking volume will be of particular interest to students and scholars in multilingualism applied linguistics sociolinguistics and psycholinguistics

Resources in Education ,2001-10 Family Language Policy in the Polish Diaspora Piotr Romanowski,2021-04-06 This book explores language practices beliefs and management across a group of Polish immigrant families in Australia drawing on these case studies as a lens through which to unpack dynamics of Family Language Policy FLP and their implications for future research on FLP The volume begins by outlining the historical context of Polish immigration in Australia charting two key waves of Polish migration in the 20th century and the subsequent unfolding of issues around language and culture maintenance in these families This discussion paves the way for exploring key themes of language socialization language ideologies and heritage language maintenance and the affordances of FLP research in elucidating these dynamics at work in the lived experiences of a group of Polish immigrant families in Melbourne The book highlights the importance of a triangulated approach integrating qualitative and quantitative methods in offering nuanced insights into parental approaches and children s experiences of a bilingual upbringing and the wider impact of FLP on transnational families Opening up avenues for future research on Family Language Policy and a better understanding of the language practices of specific communities in a globalised world this book will be of interest to scholars in multilingualism sociolinguistics and applied linguistics

Meeting Handbook Linguistic Society of America,2000 **Language** ,2001 Proceedings of the annual meeting of the Society in v 1 11 1925 34 After 1934 they appear in Its Bulletin Preschool English Learners ,2009 The British National Bibliography Arthur James Wells,2006 *A Practical Guide to Early Childhood Curriculum* Claudia Fuhriman Eliason,Loa Thomson Jenkins,2008 This applied guide to planning and implementing curriculum across the content areas for children ages 3 to 8 provides students with a depth of background knowledge not usually seen in a text containing practical highlighted strategies unit and lesson plans suggested activities recipes and more Core chapters cover Social studies including diverse people self and family physical activity and nutrition Language development Literacy development Science 3 separate chapters Problem solving and math Music and movement Creativity art and dramatic activities Key changes to this edition include separate chapters on language development and literacy development new tables linking learning activities with specific content area standards streamlined content throughout and new Web sites
