Ethical Intersections Health Research Methods And Researcher Responsibility:

Ethical Intersections Jeanne Daly,2019-03-13 This book presents a collection of essays that aims to make public the social discourse on ethics of health research used by responsible practising researchers in order to demonstrate the detailed and fine consideration given to the ethics of the research task

International Handbook of Applied Research in Intellectual Disabilities Eric Emerson,Chris Hatton,Travis Thompson,Trevor Parmenter,2004-08-13 The landmark International Handbook of Applied Research in Intellectual Disabilities presents explains and illustrates key methods of research and evaluation of proven relevance and value to the field of intellectual disabilities It features sections on the concepts and theoretical models underlying research and evaluation the methods and techniques themselves and the key application areas where the methods are demonstrated in action Coverage includes applications in educational social family health and employment aspects of care and provision for those with intellectual disabilities

Research Ethics for Social Scientists Mark Israel,Iain Hay,2006-06-15 This is an excellent book which can be recommended both to the professional ethicist seeking to situate research ethics for a social scientific audience and to social scientists seeking an overview of the current ethical landscape of their discipline

Research Ethics Review Ethics is becoming an increasingly prominent issue for all researchers across the western world This comprehensive and accessible guide introduces students to the field and encourages knowledge of research ethics in practice

Research Ethics for Social Scientists sets out to do four things The first is to demonstrate the practical value of thinking seriously and systematically about what constitutes ethical conduct in social science research Secondly the text identifies how and why current regulatory regimes have emerged Thirdly it seeks to reveal those practices that have contributed to the adversarial relationships between researchers and regulators Finally the book hopes to encourage both parties to develop shared solutions to ethical and regulatory problems

Research Ethics for Social Scientists is an excellent introductory text for students as it introduces students to ethical theory and philosophy provides practical guidance on what ethical theory means for research practice provides case studies to give real examples of ethics in research action The result is an informative accessible and practical guide to research ethics for any student or researcher in the social sciences

Fieldwork, Participation and Practice Marlene de Laine,2000-10-06 I would highly recommend Fieldwork Participation and Practice Ethics and Dilemmas in Qualitative Research as a text for the wide range of fields that currently engage in fieldwork She does an excellent job of moving beyond basic ethical principles and informs the reader of the complexity of contemporary fieldwork

Forum for Qualitative Social Research follow the link below to read the complete review This timely and topical look at the role of ethics in fieldwork takes into account some of the major issues confronting qualitative researchers The main purposes of this book are twofold to promote an understanding of the harmful possibilities of fieldwork and to provide ways of dealing with ethical problems and dilemmas To these ends examples of actual fieldwork are provided that address ethical problems and dilemmas and posit ways of dealing with them

Qualitative Methods in Military Studies Helena Carreiras, Celso Castro, 2013 This book examines the methodology of qualitative research in military studies Since the end of the Cold War the number of studies on military and society has grown substantially in substance size and impact However only a tiny part of this bibliography deals in depth with the research methods used especially in relation to qualitative methods The data that form the basis of the researchers analyses are often presented as if they were immediately available rather than as a product of interaction between the researcher and those who participated in the research Comprising essays by international scholars the volume discusses the methodological questions raised by the use of qualitative research methodology in military settings On the one hand it focuses on the specificity of the military as a social context for research the authors single out and discuss the particular field effects produced by institutional arrangements norms and practices of the military On the other the authors proceed in an empirical manner all methodological questions are addressed with regard to concrete situations of field research This book will be of much interest to students of military studies research methods sociology anthropology war and conflict studies and security studies in general

From Inquiry to Academic Writing Stuart Greene, April Lidinsky, 2011-07-06 Explains academic writing as a clear step by step process that one can use in any college course

Qualitative Research Methods Pranee Liamputtong, Douglas Ezzy, 1999 Qualitative Research Methods A Health Focus is a practical guide to conducting qualitative research with an emphasis on health related examples Methodological issues confronting qualitative researchers are dealt with in general chapters on sampling and rigour the use of theory data analysis and writing research proposals and reports Established qualitative methods such as in depth interviewing focus groups and ethnography are reviewed alongside chapters on more innovative and complex methods such as narrative methods memory work and participatory action research Detailed examples of each method are provided to illustrate the research process It is increasingly being accepted that qualitative methods play an important role in health related research This book is a comprehensive and accessible guide to qualitative methods for health care students and health professionals

Feminist Bioethics Jackie Leach Scully, Laurel E. Baldwin-Ragaven, Petya Fitzpatrick, 2010-03-15 The essays collected here explore the relation of feminist bioethics to mainstream bioethical thought and practice From publisher description

Equity, Environment, Efficiency Patrick Nicol Troy, 2000 The book offers a timely re evaluation of the connection between ethics and economics It argues that efficiency is not an end in itself but rather a means to socially desirable ends It s essential reading for all those involved in policy development housing markets environment groups planning and housing departments and local authorities

Annual Report - Robert Wood Johnson Foundation Robert Wood Johnson Foundation,

Self-Assessment of Hearing and Related Function William Noble, 1998 The opening chapter of the book examines matters of theoretical debate relevant to the self assessment approach overall It also looks at technical points from the world of psychometrics and considers the motive for using self assessment Chapter 2 records the principal self assessment devices concerning hearing impairment that have

emerged to date plus subsequent published work using one or more of these scales Chapter 3 focuses on an analysis of data using one such scale derived from a sufficiently varied set of backgrounds so as to allow certain methodological and epidemiological questions to be scrutinized Chapters 4 6 address other areas of audiological and related practice and research where self assessment has emerged Sociological Abstracts Leo P. Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers From Inquiry to Academic Writing: A Text and Reader Stuart Greene, April Lidinsky,2011-09-02 Academic writing is a conversation a collaborative exchange of ideas to pursue new knowledge From Inquiry to Academic Writing A Text and Reader demystifies cross curricular thinking and writing by breaking it down into a series of comprehensible habits and skills that students can learn in order to join in The extensive thematic reader opens up thought provoking conversations being held throughout the academy and in the culture at large Read the preface *Journal of the American Medical Association* ,2009-03
