First Things Last Things:

First Things, Last Things Eric Hoffer, 1971 Critical commentary on conditions in present day society challenging current beliefs on aspirations of the militant young and other minority groups Jesus and the Last Things Dennis J. Billy CSsR, 2019-05-20 This book focuses on Jesus the four last things and their relevance for our lives He has much to teach us about these things Jesus faced death with courage and was raised to new life by the power of his heavenly Father He descended into hell and reached out to those who had alienated themselves from God He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom He lives forever in the house of his Father hoping to draw all people to himself and make all things new The book reminds us that for Jesus the four last things are just a prelude to the first things He is the Alpha and Omega the beginning and the end He teaches us to put last things first and first things last The Return of Resentment Robert A. Schneider, 2023-01-17 Charts the long history of resentment from its emergence to its establishment as the word of the moment The term resentment often casually paired with words like hatred rage and fear has dominated US news analysis since November 2016 Despite its increased use this word seems to defy easy categorization Does resentment describe many interlocking sentiments or is it just another way of saying anger Does it suggest an irrational grievance as opposed to a legitimate callout of injustice Does it imply political leanings or is it nonpartisan by nature In The Return of Resentment Robert A Schneider explores these questions and more moving from eighteenth century Britain to the aftermath of the French Revolution to social movements throughout the twentieth century Drawing on a wide range of writers thinkers and historical experiences Schneider illustrates how resentment has morphed across time coming to express a collective sentiment felt by people and movements across the political spectrum In this history we discover resentment s modernity and its ambiguity how it can be used to dismiss legitimate critique and explain away violence but also convey a moral stance that demands recognition Schneider anatomizes the many ways resentment has been used to label present day movements from followers of Trump and supporters of Brexit to radical Islamicists and proponents of identity politics Addressing our contemporary political situation in a novel way The Return of Resentment challenges us to think critically about the roles different emotions play in politics **The Princeton Companion to Jonathan Edwards** Sang Hyun Lee, 2020-06-02 Jonathan Edwards 1703 1758 is widely recognized as one of the greatest philosopher theologians America has ever produced and recent years have seen a remarkable increase in research on his writings To date however there has been no single authoritative volume that introduces and interprets the key aspects of Edwards thought as a whole The Princeton Companion to Jonathan Edwards provides just such a concise and comprehensive work one that will be invaluable to students and scholars of American religion and theology as well as of literature philosophy and history Comprising twenty essays by leading scholars on Edwards the book will inform and challenge readers on subjects ranging from Edwards understanding of the Trinity God and the world Christ and salvation as

well as of history typology the church and mission to Native Americans It also includes a chronology of Edwards life and writings that incorporates current research Those familiar with Edwards writings will find in these essays succinct expositions as well as bold new interpretations and others will find an accessible authoritative up to date orientation to his multifaceted thought The essays are by Robert E Brown Allen C Guezlo Robert W Jenson Wilson H Kimmach Janice Knight Sang Hyun Lee Gerald R McDermott Kenneth P Minkema Mark Noll Richard R Niebuhr Amy Plantinga Pauw John E Smith Stephen J Stein Harry S Stout Douglas A Sweeney Peter J Thuesen and John F Wilson [Eric Hoffer](#) Tom Bethell,2013-10-01 Drawn from Eric Hoffer s private papers as well as interviews with those who knew him this detailed biography paints a picture of a truly original American thinker and writer Author Tom Bethell interviewed Hoffer in the years just before his death and his meticulous accounts of those meetings offer new insights into the man known as the Longshoreman Philosopher **Chapters XVII-XX** Emanuel Swedenborg,1912 **The pilgrim's progress.
