reality audience reception gender roles minority portrayal and power issues the book provides an in depth look at what we see or think we see in reality TV Instructors considering this book for use in a course may request an examination copy here

The Game of Seduction Part I Jairod Samuel,2023-11-07 THE GAME OF SEDUCTION PART I is a captivating exploration of the connection between Love often mysterious connection between these two fundamental aspects of the human experience With a blend of passion insight unraveling the profound emotions and physical desires that shape our most intimate relationships Whether you are seeking to understand the intricacies of your own desires or are simply curious about the fascinating interplay of love and sex this book is an essential read Citizen Machiavelli Mark Hulliung,2017-07-05 Machiavelli has been viewed as the forerunner of the humanists of our day liberals and socialists who have discovered that moral ends sometimes require immoral means Against this interpretation Mark Hulliung argues that Machiavelli s humanism was rooted in classical notions of grandeur and greatness and that his prime reason for admiring the ancient Roman republic was that it conquered the world In short Machiavelli was at his most Machiavellian precisely when he voiced his civic humanism Hulliung argues that Machiavelli s embrace of fraud and violence cannot be justified by patriotism or a professed concern with the common good He indicts Machiavelli s use and abuse of history in the service of his cynical agenda the quest for power Hulliung sees Machiavelli as a republican imperialist embracing the heroic pagan virtues and consciously subverting the humanistic tradition of Cicero and the religious morality of Christianity with an intentionally skewed interpretation of republican Rome By inverting the Stoical and Christian elements of the classics Machiavelli made the humanistic tradition give birth to Machiavellism its terrible child Hulliung s thesis is convincing and his book is a valuable contribution to the debate on Machiavellian thought **Forget Baudrillard?** Chris Rojek,Professor Bryan S Turner,Bryan Turner,2002-11-01 Without doubt Jean Baudrillard is one of the most important figures currently working in the area of sociology an dcultural studies but his writings infuriate as many people as they intoxicate This collection provides a wide ranging measured assessment of Baudrillard s work The contributors examine Baudrillard s relation to consumption modernity postmodernity social theory feminism politics and culture They attempt to steer a clear course between the hype which Baudrillard himself has done much to generate and the solid value of his startling thoughts Baudrillard s ideas and style of expression provide a challenge to established academic ways of proceeding and thinking The book explores this challenge and speculates on the reason for the extreme responses to Baudrillard s work The appeal of Baudrillard s arguments is clearly discussed and his place in contemporary social theory is shrewdly assessed Baudrillard emerges as a chameleon figure but one who is obsessed with the central themes of style hypocrisy seduction simulation and fatality Although these themes abound in postmodern thought they are also evident in a certain strand of modernist thought one which embraces the writings of Baudelaire and Nietzsche Baudrillard s protestation is that he is not a postmodernist is taken seriously in this collection The balanced and accessible style of the contributions and the fairness and rigour of the
