Fun With The Strums Five String Banjo:

The Banjoist's Budget Rob MacKillop,2020-10-21 This book contains the 50 late 19th century tunes in Albert Baur's 1883 anthology *The Banjoist's Budget*. The collection has roots in four main sources: minstrel songs, Irish popular and folk traditions, clog dancing tunes, and Gilbert and Sullivan favorites, all expertly played by Rob MacKillop on the accompanying online audio recording. The music is clearly typeset in standard notation and tablature for the 5 string banjo in Baur's original eAEG B tuning, observing the tablature however this music can be played in modern day concert C tuning gCGBD. While Baur provided no technique instructions, the music can be played in the old minstrel stroke technique, the modern melodic clawhammer style, or fingerstyle. By contrast, MacKillop provides ample performance notes and a few tips within the notation. These melodies constitute an authentic audio window to a past century when the five string banjo was a classical instrument studied and played by serious students and expert musicians who read standard notation rather than tablature. In any case, here they are in notation and modern banjo tablature together with a delightful online recording. Includes access to online audio.

101 Three-Chord Songs for Guitar, Banjo, and Uke Larry McCabe,2010-10-07 You need only minimal playing skills and three chords G, C, and D7 to accompany all the great songs in this innovative book. If you are just getting started or if you are a casual player on a chording instrument, this is the perfect book for you; the book is absolutely bursting with a great variety of music: Old time, bluegrass, gospel, Christmas, children's tunes, Stephen Foster, British and Celtic, cowboy blues, and more. Because melody and lyrics are provided with every song, singers will also enjoy this wonderful collection of the world's favorite songs. Truly a book of outstanding arrangements made playable for folks who play for their own enjoyment. Some of these songs, like *Dark Hollow* and *Way Downtown*, are hard to find in print. Guitar, uke, and five string banjo diagrams are included for the three chords, along with tips on strumming and transposing; tips for singers, an invaluable reference book for teachers and pros too.
