Excerpt from *Essays and Addresses* Several of these papers have appeared in periodicals or been published in the proceedings of societies and I have to thank the editors or the committees for the permission to reprint Detailed acknowledgements will be found in the table of contents One or two besides are published in separate volumes the *Stoic Philosophy* by Messrs Watts and Co and others by Messrs Allen and Unwin As to these also the details are given elsewhere To make a collection even on a small scale of one's occasional writings on popular subjects throughout a long period of years is I find a matter of some anxiety A man has generally little confidence in his past self There is no knowing what it may have done or what foolish things it may have thought or written ten or twenty years ago I confess that when I began to look through my papers with a view to the present selection I rather expected to find embarrassing self contradictions or indiscretions of which I should now be ashamed In this I was agreeably disappointed but I did find what from the reader's point of view is perhaps worse a good deal of repetition or rather a constant attempt by different means and in different contexts to say very much the same thing About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Select Essays and Addresses* Ralph Waldo Emerson, 1912      *An Essay Towards a Bibliography of the Published Writings and Addresses of Woodrow Wilson, 1875-1910* Harry Clemons, 1913      **Essays and Addresses** Roger Atkinson Pryor, 2015-07-12

Excerpt from *Essays and Addresses With Explanatory Notes* In my declining days when Whether for thought or for action my career is at an end my mind naturally reverts to the past and in the retrospect quite as naturally lingers on events in which I myself bore a part of more or less consequence To these events the following collection of *Essays and Addresses* refers and while intrinsically they are doubtless of little interest they may be not without attraction to students who find instruction even in the ephemeral effusions of the passing day About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst

Laurence,1899 **Essays, Addresses and Lyrical Translations (Classic Reprint)** Thomas Campbell

Finlayson,2015-07-06 Excerpt from Essays Addresses and Lyrical Translations On the death of my brother many of his friends expressed a desire for a memorial volume containing a notice of his life and some selections from his MSS or published articles Professor Wilkins who had known him in Cambridge as well as in Manchester kindly undertook to write a biographical sketch As various volumes of his sermons and expositions had already appeared it seemed desirable in making a selection from his writings to present something different During one part of his long illness while anticipating a partial recovery he had beguiled the time by planning in his own mind a possible volume of essays to be prepared while waiting for the return of bodily strength He had even dictated a list of those he had in view On tracing the titles in MSS or in magazines it was found that some were scarcely adapted for the purpose of such a collection unless re written they were too much in the sermon form No doubt the author had intended to re write the whole of his proposed essays condensing or expanding as occasion demanded and recasting the form of some of them Such revision being now impossible the only way was to exclude those which seemed unsuitable About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Essays and Addresses](#) Bernard Bosanquet,1891
