

Package Tour

It is chosen by families, newly wed couples and pensioners.

Advantages:

- The holiday maker will know about the cost of the holiday in advance.
- The flight, accommodation, meals and entertainments are included in the price.
- Many packages offer facilities such as swimming pools, restaurants, bars, children clubs and activities such as cycling or tennis, so you will not get bored during your trip.
- A wide number of tour operators offering details to almost every corner of the world.

Disadvantages:

- you basically spend most of your time in the resort complex and you don't visit all the places
- You have to accept whatever the hotel offers (either good or bad services)
- You might be cheated by travel agency (in some cases the hotel is not paid by the travel agency or the services are not equal to those you have expected).

Benefits of package tour

It is chosen by families, newly married couples and pensioners.

- A package tour is organised at a fixed price which includes the cost of travel, hotels, food...etc
- You do not have to worry about making hotel or transport reservations.
- It is the tour operator who manages weather delays or any other travel problems.
- It's more secure.
- The holiday maker will know about the cost of the holiday in advance.
- The flight, accommodation, meals and entertainments are included in the price.
- Many packages offer facilities such as swimming pools, restaurants, bars, children clubs and activities such as cycling or tennis, so you will not get bored during your trip.
- A wide number of tour operators offering details to almost every corner of the world.

Benefits of travelling: escaping from stress-opens the horizons-teaches us tolerance-enjoying new landscapes and sightseeing-discovering new civilisations and traditions-make new acquaintances-taste other types of food....etc

Space tourism

Advantages:

- It's a personal experience
- It satisfies the human desire of adventure.
- It's an opportunity to live a rare experience of weightlessness.
- It's good for humanity/ Part of scientific research.
- There is a possibility to find human-like species in the outer space.
- Discover an all-new world.
- Find new precious materials.
- Explore and see amazing places that you have never seen before.
- Thanks to it, we have thousands of satellite channels broadcasting around the world.

Disadvantages:

- It's a dangerous experience (risk of death, flying in the outer space is not safe).
- It's unfair: only the well-to-do (rich) can enjoy that experience / the poor are deprived of that dream.
- It is costly and a great waste of money and that priority should be given to our problems down on earth like poverty, illiteracy, starvation and so on.
⇒ The rich are splurging billions of dollars to satisfy their silly personal whims while millions of children are starving to death in poor countries.

Drawbacks of package tour

- Travelling with a crowd of noisy people make the journey boring.
- The services may turn out to be different from the ones advertised.
- Some people want to make their personal accommodation bookings.
- The majority of people who go on a package tour are generally very poor, so they may miss some entertaining activities.
- you basically spend most of your time in the resort complex and you don't visit all the places
- You have to accept whatever the hotel offers (either good or bad services)
- You might be cheated by travel agency (in some cases the hotel is not paid by the travel agency or the services are not equal to those you have expected).

A topic: Last week, you went on a package tour. However, you were dissatisfied with the facilities included in this holiday as well as the hotel accommodation. So, you decided to write a letter to the travel agency to complain about that bad holiday and show your disappointment and ask for compensation.
