Essential Elements Advanced Technique For Strings Viola:

Advanced Technique for Strings (Essential Elements Series) Robert Gillespie, Michael Allen, Pamela Tellejohn Hayes, 2000-06 Essential Elements Level 4 of Hal Leonard's Essential Elements for Strings series is perfect for your advanced level students. Each book includes a detailed practice routine for scales, three octave major and minor scales and arpeggios, a systematic fingering system for scales, extensive shifting exercises for advanced positions, shifting reinforcement in a musical context using unison orchestra excerpts, advanced technical development, sequenced rhythmic and bowing studies, and much more.

Essential Technique for Strings - Viola Book 3 with Online Resources, 2025-04-26 Essential Elements The world's leading strings method just got an update. Essential Elements for Strings offers beginning students sound pedagogy and engaging music, all carefully paced to successfully start young players on their musical journey. EE features both familiar songs and specially designed exercises created and arranged for the classroom in a unison learning environment, as well as instrument-specific exercises to focus each student on the unique characteristics of their own instrument. EE provides both teachers and students with a wealth of materials to develop total musicianship, even at the beginning stages. Essential Elements includes free access to Essential Elements Interactive (EEi), the ultimate online music education resource. EEi introduces the first ever easy set of technology tools for online teaching, learning, assessment, and communication, ideal for teaching today's beginning band and string students both in the classroom and at home. These new editions include 150 professionally recorded videos online featuring Essential Elements educators, 50 new copyrighted pop songs available online across all levels, three new song replacements, new color photography, and much more. Best of all, new editions still work side by side with previous copies of Essential Elements.

[Essential technique for strings](#) Robert Gillespie, Michael Allen, Pamela Tellejohn Hayes, 2002-09 Essential Elements Original series green cover Essential Technique for Strings is a book of studies to help the intermediate player develop the skills necessary for playing in an orchestra. Its flexible sequence allows you to choose pages from the three major sections: higher positions and shifting keys and scales and bowings and special techniques.
