Writing a Police Report Narrative

Police officers complete reports for every call to which they respond. Reports are a very important part of their job because they record important details of an event and are used to help detectives with investigations or as pieces of evidence in court. Therefore, police reports must be clear, factual, and concise.

One part of the police report is the narrative. This is a section in which an officer describes everything that he observed at the scene. Victims are identified, perpetrators are described based upon witness testimony, the scene (time and place) is recorded, and the situation is summarized. The narrative consists of facts — what the officer saw, heard, (possibly) smelled, observed, and experienced.

Basic Format for a police report narrative:

1. Begin with a one-sentence synopsis.
   On May 14, 2011, at approximately 3:45 PM, an unidentified male entered McCabe's Pub and stole $198 from the register.

2. Provide a summary of the crime. Explain what happened in chronological order (beginning, middle, end).

3. Witnesses may be identified, and important details from their interviews may be included. If you have a statement from a victim or witness, write exactly what he or she says in quotation marks. *Marks stated, "He yelled, 'Open the register and get on the floor!'"*

IMPORTANT:

1. Use correct spelling, punctuation, and grammar. Police reports become part of the public record and may be used in court. You want to make a good impression in order to be considered knowledgeable and reliable.

2. Consider your audience. Use Standard English (not slang, police codes, or abbreviations) so that anyone reading the report understands the meaning clearly.

Sample police report narrative:

On May 14, 2011, at approximately 3:45 PM, an unidentified male entered McCabe's Pub and stole $198 from the register. McCabe's Pub was open, but there were no customers at the time of the crime. Carol Marks, co-owner, was cleaning tables when the suspect entered. Marks stated, "He yelled, 'Open the register and get on the floor!'" She did not see a weapon. After the suspect removed all of the money from the register, he ran out the front door. Ms. Marks called 9-1-1 at 3:57 PM. She described the suspect as a "twenty-something" white male wearing a red t-shirt, jeans, and a Yankees cap.
