[The Graphic Designer's Digital Toolkit](#) Allan B. Wood,2006 One of the most important skills in Graphic Design today is the ability to integrate different software programs into a seamless whole Yet software books continue to teach one program at a time without regard to the integration issues that lie at the heart of good digital design The Graphic Designer s Digital Toolkit provides a comprehensive overview of the Big 4 digital design programs used in industry today Adobe Illustrator Adobe Photoshop Adobe InDesign and QuarkXPress The book then examines in practical detail how to merge results of these programs into good workable design The Graphic Designer s Digital Toolkit features a highly visual introduction to the essential tools and functions of each application from the perspective of the working designer Readers are then given the opportunity to put what they learn to work by tackling design projects from concept to completion with assignments drawn from the everyday world of professional graphic designers Global Books in Print

Adobe InDesign CS4 Styles Michael Murphy,2010-04-09 Tap into the far reaching potential of InDesign styles from simple drop cap formatting to cross media export to XHTML Styles have the power to transform how design and production professionals approach and accomplish any project Adopting a style centric workflow can reduce tasks that would normally take days to mere hours and tasks that would take hours to minutes or even seconds Less time spent on repetitive tasks means more time for creating your best work This book explores every InDesign style to reveal its full potential Throughout each chapter you ll pick up many tips and best practices gleaned from real world experience Two bonus chapters Stroke Styles and Project Planning with Styles in Mind are available for download For figure it out as I go designers embracing styles still allow you to work intuitively on the page And this guide helps break preconceptions and bad habits transferred from less powerful page layout applications that keep new InDesign users from working in far more satisfying and productive ways Where InDesign is concerned styles truly do equal substance
