Finding Your Path Leopoldo Tammen, 2021-08-26 We have all found ourselves in uncertain times Life is not meant to be all flowers and sunshine There are dark days however it is how we take on those dark days those days of fog full of uncertainty to then prosper through life This book shall help you to choose your part wisely and magnanimously We have become so dogmatic in our own beliefs that when they don't come to fruition or we find them to be a hoax our journey can come crashing down with doubt fear and uncertainty Many individuals think they know why they are doing what they do where they will end up or who they wish to be in 3 to 7 years until a catastrophic event called life occurs We dream to live adventurously but the fear of change confines us to only existing which is to survive in the fog of society thus creating a disoriented invisible sensation The unknown causes our thoughts to imprison us as we ponder if we will ever be content or if we will forever be in debt paying bills We work hard to be accepted instead of acknowledged We wonder about our next occupation or what comes after retirement We worry about things we can't control then suffer from anxiety Our breath is limited by our determination and imagination yet those things we can take hold of We exclaim at times to be lost but to be

lost is to know where X marks the spot yet unclear on how to get there So the question is What s the Journey Toward X This book is meant to help you not only choose your path but how to choose it wisely and magnanimously Finding Your Bearings Rosemarie Bezerra-Nader,Ann Wiebe,AIMS Education Foundation,1996 Digest ,1923 Field and Stream ,1930 **The Earth and Its People ...** Wallace Walter Atwood,Helen Goss Thomas,1928 A Text Book of Physics for the Use of Students of Science and Engineering John Duncan,Sydney George Starling,1929 *Harper's Magazine* Lee Foster Hartman,Frederick Lewis Allen,1919 **Finding You and Your Direction** Toni Dowrey,2015-10-30 Do you ever feel lost in this world and wonder which direction to go Do you feel like you need to find yourself because a piece of you is missing Or do you just need a friendly push in the right direction Life can get so busy and chaotic that we sometimes feel like it has taken over and we are losing control of where we were going There can be too many outside influences that keep us from focusing on ourselves as a person Finding You and Your Direction will help guide you with getting back on track There are eleven ways that have been broken down to help you get back on the path you need to be on From values to heartache Life changes to enjoying this moment in life Get inspired to keep moving forward in life and looking back only to see how far you have come **Sadlier's Excelsior Geography** Catholic teacher,1915 **Cases Decided in the Court of Session, and Also in the Justiciary and House of Lords** Scotland.
